

Why

Cristian Castro

When I held you, it was something
That was nothing much to me
I was in it, for the moment,
Wanted someone touching me
And I didn't want to fall in love

So why did you have to be
So beautiful, so good to me
When I was only looking for, someone to hold
Just for a while why did I have to see your smile
Why did you have to be
The one who stayed in all my dreams
When I was needing nothing more,
Than someone to kiss
To hold in the night
Why did you have to be so right
So beautiful

When you touched me it was something
Like no touch I had known
I could feel it in that moment
That your touch had touched my soul
And I didn't want to fall in love

So why did you have to be
So beautiful, so good to me
When I was only looking for, someone to hold
Just for a while why did I have to see your smile
Why did you have to be
The one who stayed in all my dreams
When I was needing nothing more,
Than someone to kiss
To hold in the night
Why did you have to be so right
So beautiful

Why did you have to say
The words that took my breath away
I was alright I was just being free
