

## It's The Limit

Cro-Mags

Why you messing around with me  
Pushin me around  
Values changing  
But I can't get caught in it today  
We won't lose  
with what we've got  
Cause we'll just sit  
and watch it all rot

Keep your ideas  
But keep your distance from me  
Keep off my back  
cause the things you do  
I don't wanna see

I don't wanna see  
I don't wanna see  
I don't wanna see  
I don't wanna see

Wanna see  
how far I can go  
Test my patience  
see what I know  
Just not happy  
with nothing to do  
Getting bold  
when there's more than two.
