

It's The Limit

Cro-Mags

Why you messing around with me
Pushin me around
Values changing
But I can't get caught in it today
We won't lose
with what we've got
Cause we'll just sit
and watch it all rot

Keep your ideas
But keep your distance from me
Keep off my back
cause the things you do
I don't wanna see

I don't wanna see
I don't wanna see
I don't wanna see
I don't wanna see

Wanna see
how far I can go
Test my patience
see what I know
Just not happy
with nothing to do
Getting bold
when there's more than two.
