

Blues For You

Cross Canadian Ragweed

Well I miss you baby
I gotta get back home to you
Well I miss you baby
I gotta get back home to you
Ive seen a million women
Only one of them will do

Well I'm east of somewhere
You know what I mean
Well I'm west of nowhere
And all points in between

Up or down
North or south
Right or wrong
I'm inside out
Gotta get back

I know you're cryin
Cryin for your man
Baby, I'm tryin
Tryin hard to understand

Another turn, the rubber burns
No one else is my concern
I gotta get back

Well I miss you baby
I gotta get back home to you
Well I miss you baby
I gotta get back home to you
Ive seen a million women
Only one of them will do
