

## Blues For You

Cross Canadian Ragweed

Well I miss you baby  
I gotta get back home to you  
Well I miss you baby  
I gotta get back home to you  
Ive seen a million women  
Only one of them will do

Well I'm east of somewhere  
You know what I mean  
Well I'm west of nowhere  
And all points in between

Up or down  
North or south  
Right or wrong  
I'm inside out  
Gotta get back

I know you're cryin  
Cryin for your man  
Baby, I'm tryin  
Tryin hard to understand

Another turn, the rubber burns  
No one else is my concern  
I gotta get back

Well I miss you baby  
I gotta get back home to you  
Well I miss you baby  
I gotta get back home to you  
Ive seen a million women  
Only one of them will do
