

# **Livin Life By The Drop**

**Cross Canadian Ragweed**

Hello there, my old friend  
Not so long ago it was 'till the end  
We stood outside in the pouring rain  
On the way up the road we started all over again

Chorus  
Livin our dream  
And Lord You're on top  
My mind was aching  
And Lord it won't stop  
That's how it happened livin life by the drop

Up and down that road in our worn out shoes  
Talking bout good things and singing the blues  
You went your way, I stayed behind  
We both knew it was just a matter of time

repeat Chorus

No wasted time, we're alive today  
Trying another path, there ain't no easy way  
Time's come between us, a means to an end  
God it's good to be here walking together my friend

repeat Chorus

That's how it happened livin life by the drop (2x)
