

## Lonely Girl

Cross Canadian Ragweed

Sittin' there with your hair all in your face  
Tears are fallin' like they're in a race  
You look down, you look around, then you look up again  
You get the feeling you can never win  
(chorus)  
Tell me your trouble, lonely girl  
What have you gotten in  
You're confused, in your own world  
You just want the day to go away  
So you can start it all over again  
Life ain't easy, I'm telling you what everybody said  
Yeah, they beat that horse until it's dead  
Open your window, open your heart, open your eyes to see  
Everything around you girl, it's meant to be
