

Run To Me

Cross Canadian Ragweed

I got a lot of things to say
I've got a lot of things to do today
But I'll put 'em all behind
Throw 'em to the side
Put 'em off till tomorrow to keep you satisfied
Put 'em off till tomorrow to keep you satisfied

Come to me when you can
Run to me baby understand
Where you go I will follow
Every step of the way every night and day
Every step of the way every night and day

Like your shadow on the ground girl I'll always be around
Be it high or be it low
Reaping everything you sow
Everywhere you go

Every mile every breath
Anything put me to the test
Heel to toe
Everywhere you go
Everywhere that you go in the pocket of your soul
Everywhere that you go in the pocket of your soul

Come to me when you can
Run to me baby understand
