

## Run To Me

Cross Canadian Ragweed

I got a lot of things to say  
I've got a lot of things to do today  
But I'll put 'em all behind  
Throw 'em to the side  
Put 'em off till tomorrow to keep you satisfied  
Put 'em off till tomorrow to keep you satisfied

Come to me when you can  
Run to me baby understand  
Where you go I will follow  
Every step of the way every night and day  
Every step of the way every night and day

Like your shadow on the ground girl I'll always be around  
Be it high or be it low  
Reaping everything you sow  
Everywhere you go

Every mile every breath  
Anything put me to the test  
Heel to toe  
Everywhere you go  
Everywhere that you go in the pocket of your soul  
Everywhere that you go in the pocket of your soul

Come to me when you can  
Run to me baby understand
