## Crossbreed

You can't think for yourself  
You're falling in  
You fell out of lies, you...  
You - beg - for - this  
You said it yourself  
You're been falling in  
You ran out of line, you...  
You - beg - for - this

No time for lie  
Still time for killing this  
Fall in, fall in, fall in  
You - beg - for - this  
No time for lie  
Still time for killing this  
Fall in, fall in, fall in  
You - beg - for - this

When I said  
You're falling in  
You fell out of lie, you...  
You - beg - for - this  
You said it yourself  
You're falling in  
You ran out of line, you...  
You - beg - for - this

No time for lie  
Still time for killing this  
Fall in, fall in, fall in  
You - beg - for - this  
No time for lie  
Still time for killing this  
Fall in, fall in, fall in  
You - beg - for - this

Beg  
Beg  
Beg  
Beg  
Beg - for - this  
No time for lies

No time for lies
