I can't describe what you're feeling
Somehow you keep me from falling
Your mind is so gone that you created
Your world that keeps me from falling

It makes no sense to me
It makes no sense to me
No one tried to run
No one tries to see
And in this dark world I am blind
You're slowly falling from me

When all else fails, I am done falling
Falling, falling
Feels so numb, I'm close to nothing
Nothing
