

Release Me

Crossbreed

the war that's in your mind you explained to me sounds like you
re obsessed but
certainly somewhere you will find a place to express your needs
you always
insist that place is me you're right your - holy system is right
t your right
your - no one can stand all the lies your right your holy system
is right youre right your - the walls been broken down

release me the walls been broken down

before you ever thought you could bury me i turned off the light
s so you cant
see a shadow in the dark that you can barely see surrounded by
the
dead that doesnt bleed you're right your - holy system is right
youre right
your no one can stand all the lies youre right your - holy system
is right
youre right your - the walls been broken down circles form around
me
i cant see staring eyes have brought me to my knees youre right
youre right

release me the walls been broken down
