

Dead Memories

Crossfade

My time
Open me up
Past life
Broken

I'm not holding on
To dead memories
Of what I've used to be
I've found a way
To make this life bow to me

Goodbye
Hurt no more
This time
I'm not broken

I'm not holding on
To dead memories
Of what I've used to be
I've found a way
To make this life bow to me

I'm not holding on
To dead memories
Of what I've used to be
I've found a way
To make this life bow to me
