

# Paint It Black

Crossfaith

It's Time For Us To Change  
Time To Be Brave  
Time To Be Strong  
Time To Come Back From The Nightmare Created To Keep You In A Cage  
It's Time To Break Out

We Can't Go Back. From Here On Out Our Lives Are Changed  
We Won't Back Down. Attack And Paint It Black On Your Fucking Faces  
We Will Be Back To End The Fight That You Begin  
This Is Not A Test And We Are Ready For This War

Come Out Of Hiding After Being Pushed To The Edge  
This Is The Chance To Change Will Never Be The Same

Tonight Tonight We Start A Fight  
To Bring Us Back From The Nightmare  
Tonight Tonight Tonight We're Coming  
Tonight Tonight Tonight

You Can't Go Back And Close My Eyes. You Can't Be Saved  
You're Going Down. Attack And Paint It Black On Their Fucking Faces  
You Turn Your Back This Time There Is No Saving Grace  
This Is Not A Game And We Are Ready For This War

Come Out Of Hiding After Being Pushed To The Edge  
This Is The Chance To Change Will Never Be The Same

Tonight Tonight We Start A Fight  
To Bring Us Back From The Nightmare  
Tonight Tonight Tonight We're Coming  
Tonight Tonight Tonight  
Tonight Tonight We Start A Fight  
We're Standing Here On The Frontline  
Tonight Tonight Tonight Are You Ready  
Tonight Tonight Tonight

Can You Hear The Voice Of Struggle  
Nothing Left To Do  
You're Forced Into A Corner  
Now Is Our Time To Break Out  
Break out!

Come Out Of Hiding After Being Pushed To The Edge  
This Is The Chance To Change Will Never Be The Same

Tonight Tonight We Start A Fight  
To Bring Us Back From The Nightmare  
Tonight Tonight Tonight We're Coming  
Tonight Tonight Tonight  
Tonight Tonight We Start A Fight  
We're Standing Here On The Frontline  
Tonight Tonight Tonight Are You Ready  
Tonight Tonight Tonight
