

## New Dawn

Crowbar

I'm at the point where I can do what I feel  
But I can't break away - these things are still real  
I recreate as I hold on  
Re-animate as I burn long

Into my eyes - come take a long hard look  
There's no disguising it - I've known what it took  
I recreate as I hold on  
Re-animate as I burn long

New dawn brings me all I need  
New dawn gives me all
