

## Reborn Thru Me

Crowbar

Sunken eyes  
Look of death upon me  
Feeling cold  
Feeling tired and empty  
Still I long  
Can't find what I'm after  
I can't sleep  
Slowly die in my own world

Learn thru me  
I've done it all before  
Learn thru me  
I've done it all

Feel the strain  
Veins are lined with poison  
Laid to waste  
In my time of dying
