

# Teach the Blind to See

Crowbar

So many years, so many words  
Bringing honesty to you

Just follow me  
You won't regret  
It's what I do  
I don't forget

I'll lead you to the truth

Know I'm not the enemy  
I can teach the blind to see

Too many tears, too many wounds  
Bringing healing to the ill

Just follow me  
You won't regress  
I'm giving life, I'm giving breath

At times it's hard, at times I'm blind  
But I bring new life to you

And in the end  
That's what is real  
'Cause agony will make you feel

Into freedom I lead you

Know I'm not the enemy  
I can teach the blind to see

Just believe and follow me  
This becomes your legacy

Know I'm not the enemy  
I can teach the blind to see
