

This I Know

Crowder

Up on the mountain where Your love captured me
Where finally I am free, this I know
Up on the mountain, where You taught my soul to sing
Amazing grace, the sweetest thing, this I know
And then the storm rushing in and here I am again
This I know

Take me up to where I was
When I never wanted more than You
Lift me up to feel Your touch
It wouldn't be that much for You

This I know, this I know
This I know, this I know

Up on the mountain where You took me by the hand
Taught me to dance again, this I know
Up on the mountain where You took this heart of stone
Put life back in these bones, this I know

Take me up to where I was
When I never wanted more than You
Lift me up to feel Your touch
It wouldn't be that much for You

This I know, this I know
This I know, this I know

Take me up to where I was
When I never wanted more than You
Lift me up to feel Your touch
It wouldn't be that much for You

So take me up to where I was
When I never wanted more than You
Lift me up to feel Your touch
It wouldn't be that much for You

This I know, this I know
This I know, this I know
