

# Hologram

Crown the Empire

Through your eyes I fight for gravity  
A place to stand, and a place to breathe

When the walls begin to shake  
In the home you thought you knew  
Will you run? Will you stay? Will you choose?

Do you know who I am?  
I'm so afraid you'll never understand  
There's a part of me still lost out there  
And I just want to know  
Yeah, I just want to know  
Am I becoming a hologram?

Close your eyes from the darker side of things  
A shade of grey hidden under sheets

When the walls begin to shake  
In the home you thought you knew  
Will you run? Will you stay? Will you choose?

Do you know who I am?  
I'm so afraid you'll never understand  
There's a part of me still lost out there  
And I just want to know  
Yeah, I just want to know  
Am I becoming a hologram?  
Now I think I'm worried that I'm in too deep  
Like a phantom that you'll never see  
So I just want to know  
Yeah I just want to know  
Am I a part of the hologram?

You have seen this incident based on sworn testimony.  
Can you prove that it didn't happen?  
Perhaps on your way home someone will pass you in the dark, and you will never know it, for they will be from outer space

Shadowed in time, another road redefined, redefined  
Shadowed in time, another road redefined, redefined  
Redefined

Do you know who I am?  
I'm so afraid you'll never understand  
There's a part of me still lost out there  
And I just want to know  
Yeah, I just want to know  
Am I becoming a hologram?  
Now I think I'm worried that I'm in too deep  
Like a phantom that you'll never see  
So I just want to know  
Yeah I just want to know  
Am I a part of the hologram?
