

## The Glass Elevator (Walls)

Crown the Empire

Break down your walls tonight,  
we're here to sing for you;  
Tear down your walls tonight,  
we're here to scream for you.

Cold as ice on the darkest December  
Spark a flame from a small burning ember  
Trapped inside of this prison made of mirrors

As I wait for that spark to ignite me  
Try to break through these walls that surround me  
I'm trapped inside of this prison made of mirrors

I look to the sky  
But my walls keep building higher  
I'm surrounded by creations, I  
Need to feel alive

I look to the sky  
But the answers all around me  
Oh I don't know why I have to try  
To take hold of my life,

The worst part of all  
Is I'm the one who holds the key  
Prison of my mind  
Only purpose sets me free

And I have no purpose at all  
I'm floating and hoping  
For something to come break my fall  
I've lost my mind  
I've lost it all

Now repeat after me...

I walk  
I breathe  
I live  
A lie
