

There Will Be No Christmas

Crown the Empire

Sometimes I wish we never spoken (never spoken).
Sometimes I wish we never met (we never met).
Sometimes I wish our love had never had a chance to start and,
Sometimes I wish I had you back (I had you back).

I wish this love ended in Autumn,
That way it'd float off with the breeze.
Instead at the start of December,
I'm all alone and colder than I've ever been.
And since you left (left),

There will be no Christmas,
At least not for me.
This year I'm all alone waiting for the spring.
There will be no Christmas,
No Santa, no sleigh,
But I hope you know, that through it all...
I still wish you a happy holiday!

(There will be no Christmas),
I wish you a happy holiday (There will be no Christmas),
I wish you a happy holiday (There will be no Christmas),
Wish you a happy holiday.

There will be no Christmas,
At least not for me.
This year I'm all alone waiting for the spring.
There will be no Christmas (there will be no Christmas),
No Santa, no sleigh (no Santa, no sleigh),
But I hope you know, that through it all (through it all)...
I still wish you a happy holiday (Christmas),
Holiday.
