

I'm breaking static, I'm changing my frequency  
If I don't speak out, then no one's listening  
But I won't live in vain, in vain

We stand on the edge wondering, wondering  
If I take one step will I live, will I sink?  
We're dying for more every day, every day  
So count down from ten and jump when I say  
Zero, zero

We're breaking static, just radio frequencies  
If we don't speak out, then there's no one listening  
Is anyone listening to me?

We stand on the edge wondering, wondering  
If I take one step will I live, will I sink?  
We're dying for more every day, every day  
So count down from ten and jump when I say...

We won't hesitate  
We won't close our eyes  
We won't turn away  
We're taking back our lives  
We won't hesitate  
We won't close our eyes  
We won't turn away  
We're taking back our lives for the first time  
For the first time  
(We won't hesitate  
We won't close our eyes  
We won't turn away)

We stand on the edge wondering, wondering  
If I take one step will I live, will I sink?  
We're dying for more every day, every day  
So count down from ten and jump when I say  
Zero, zero, zero, zero
