

## Prophecy

Cruachan

A question to you false, deceived fools,  
Who venerate nothing but a falsehood,  
Why do you perpetuate this lie?,  
Your blind faith will never be understood.

A hateful concept from its inception,  
Born in a sea of blood and terror,  
Yet based on many of my traditions,  
Perverted, corrupted and broken.

Listen to my word and understand my way,  
I will sanctify, I will have my day! - I am risen!

I am as ancient as the earth itself yet veiled in secrecy,  
When I rise - mankind will kneel and worship me.

Listen to my word and understand my way,  
I will sanctify, I will have my day! - I am risen!
