Here we go to unleash the motherfucking rage! We gonna to kill you with fire! Let's go! You are so dismissive In your blissful arrogance Lounging on a throne of dull apathy I despise your pompous selfishness!!! In whom dwells humanity? In you and in your frail estates? All silver and gold Sorrow now untold Will you ever find what you have lost? And what about the man on the edge who took a jump into unknown? Everlasting fight To find sense in his heart To find the power to do what is right! Whence I learned to walk now I need to run To reach the cliff and learn how to fly While you just crawl in a swamp of Men Your ideals got buried in the sand You always said you'll never be Like others in their blasphemy So many people who never care You're one of them now, you've betrayed yourself! You've betrayed yourself! Rage - Rage starts here! Rage - It seems you're alive! Rage - Rage starts here! Seek the power to do what's right! You are so dismissive In your blissful arrogance I despise your pompous selfishness! In whom dwells humanity? In you and in your frail estates? All silver and gold Sorrow now untold Will you ever find what you have lost? And what about the man on the edge who took a jump into unknown? Everlasting fight To find sense in his heart To find the power to do what is right!
