

## Creatures

### Crucified Barbara

Something's weird inside my head  
'Cos I hear the noises under my bed  
Have I finally lost my mind  
I'm afraid of what I might find  
Someone's breathing up my neck  
Cold meat is holding me down  
Can't move I'm Paralyzed  
I've never been so scared in my whole life  
I Don't know what to do

Here they come  
One by one  
Can't fight the nightmare  
Will they miss me when I'm gone

Here they come  
One by one  
Can't fight the nightmare  
Will they miss me when I'm gone, here they come

Someone's staring right at me  
Standing by my bed, making me shiver  
can't breathe, I'm lost in time  
I've never been so scared in my whole life  
I don't know what to do

Here they come  
One by one  
Can't fight the nightmare  
Will they miss me when I'm gone, here they come

Here they come  
One by one  
Can't fight the nightmare  
Will they miss me when I'm gone, here they come
