

If you're strong, you can fly,
you can reach the other side of the rainbow.
It's alright, take a chance,
'Cause there is no circumstance that you can't handle,
When you use your mind!

Sonic Boom, Sonic Boom, Sonic Boom!
(Trouble keeps you running faster.)
Sonic Boom, Sonic Boom, Sonic Boom!
(Save the planet from disaster.)
Sonic Boom, Sonic Boom, Sonic Boom!
(Speeding through the world in motion.)
Sonic Boom, Sonic Boom, Sonic Boom!

The time is now, you can't hide,
Find the power deep inside!
Make it happen.
Make it happen!

Sonic Boom, Sonic Boom, Sonic Boom!
(Trouble keeps you running faster.)
Sonic Boom, Sonic Boom, Sonic Boom!
(Save the planet from disaster.)
Sonic Boom, Sonic Boom, Sonic Boom!
(Speeding through the world in motion.)
Sonic Boom, Sonic Boom, Sonic Boom!

Sonic Boom, Sonic Boom, Sonic Boom!
(Trouble keeps you running faster.)
Sonic Boom, Sonic Boom, Sonic Boom!
(Save the planet from disaster.)
Sonic Boom, Sonic Boom, Sonic Boom!
(Speeding through the world in motion.)
Sonic Boom, Sonic Boom, Sonic Boom!
