

## Fine

## Crush

I thought I know you much better, seems you  
Proved me wrong.

I never dreamed I could live without you, now my  
Dreams are gone.

Funny how the hands of time can wash away this  
Pain of mine,

I think I'll be just fine.

Chorus:

I'm getting by, life ain't so bad without you.

I haven't died, just like you thought that I'd do.

Now I know just where I'm going, no longer

Blinded by your charm.

I figured out though I may stumble, I will not fall  
Into your arms.

Even though I'm all alone I will not sit here by the  
Phone,

I think I'm doing fine.

Bridge

I would never get you out of all my thoughts, my dreams, my head,  
your wrong.

It didn't take that long.
