

Luv'D Up

Crush

How I feel to be luv'd up, luv'd up baby.

Getting ready to go out, putting on my make up,
don't know why I'm feeling ill, why I'm running about.
But I end up staying in, waiting every evening.
Never thought I'd come to this, love could be so boring.

Never felt like this before, like something out of a dream.
Every day it's growing more, is that the way it's supposed to be?

How I feel to be luv'd up, luv'd up baby.
Love to feel, to feel luv'd up, luv'd up baby.
This is real, and I'm luv'd up, luv'd up baby.
I don't know - maybe I'm crazy, I'm luv'd up baby.

So I meet up with my friends and I talk about you,
and I'm boring them to death with the smallest detail.
But I don't let on to you, don't think you need telling,
when you're shooting off your mouth, when your head is swelling.

Did you know when I touch you boy, that your best bet's gonna be me?
Better get what I'm asking for coz that's the way it's supposed to be

.

How I feel to be luv'd up, luv'd up baby.
Love to feel, to feel luv'd up, luv'd up baby.
This is real, and I'm luv'd up, luv'd up baby.
I don't know - maybe I'm crazy, I'm luv'd up baby.

Maybe I'm crazy, I'm luv'd up baby, maybe I'm crazy I'm luv'd up baby

.

I'm luv'd up, I'm luv'd up,

Never felt like this before coz it's just like Just Seventeen.
Every day it's growing more, is that the way it's supposed to be?

How I feel to be luv'd up, luv'd up baby.

I don't know -
never thought I'd say it, I need you every day
and I know it sounds funny but I'm feeling kinda lonely,
maybe I'm crazy, I'm luv'd up baby.
