Catch a train anywhere. I need to take a real vacation I'll take a plane, I don't care. I'm suffering from this aliena tion

There's always someplace better to be, and somewhere else to go But you can't take me, 'cause I really don't want to

Chorus: Have you ever really looked outside? You really don't w ant to

You try to keep me locked inside. But I really don't want to If you could float away from here, what would be your destination?

Let's touch the sky, and feel the air. I'm waiting for an indic ation.

There's always someplace better to be, and somewhere else to go But you can't take me, 'Cause I really don't want to Chorus:X 2

Bridge:

If you listen to me whine. I don't want to hear you cry. There's always someplace better to be, and somewhere else to go But you can't take me, 'Cause I really don't want to Chorus: X2
