

## Fight to Survive

### Cryonic Temple

Searching through my darkest memories.  
Can not keep them away from me.  
Ending before my eyes.  
The past hurts so much,  
How can it be  
Hear my own soul

Fight to survive the fear in my mind,  
Darkness closing in  
Fight to survive the dark in my mind  
Shadows hunting me ...  
Lost my self along the  
Long dark path  
Agonized by my past ...  
Yet back on track ...  
Ending before my eyes.  
I hear my heartbeat ...  
I hear my breath ...  
Hear my own soul

Fight to survive the fear in my mind,  
Darkness closing in  
Fight to survive the dark in my mind  
Shadows hunting me....  
Hear my own soul

Fight to survive the fear in my mind,  
Darkness closing in  
Fight to survive the dark in my mind  
Shadows hunting me....  
FIGHT!!
