Atheist! Nihilist! Anarchist! Extremist!  
Turning to madman scientist!  
Marching along at the Road of Destruction?  
Are we going insane?  
Pro drugs! Pro war! Pro pain, all insane!  
Losing all vision, extremist!  
These shallow promises, mesmerized by media whores

If this is what is left  
Then walk away

The King has returned, Never lose your faith  
Break the chains, rise above the lies  
The King has returned, Never lose your faith  
We have to break the chains, Fight for freedom  
They only change  
When Hell Freezes Over

Corrupted post-modern idiotism!  
Blinded by the common fear of knowledge?

Communist! Islamist! Born again! Terrorist!  
Lost in a Mystic evangelism!  
How come you (journalists) fear your mind?  
Why don't you (the media) just choose your destiny?

If this is what is left  
Then walk away

The King has returned, never lose your faith  
Break the chains, rise above the lies

We have to break the chains, fight for freedom  
They only change
