

## Doomsday

## Cryptic Wintermoon

A journey to infinity  
Lucifer, he waits for me  
the loss of human kindness  
is the only way to survive  
The war between good and evil  
the war between darkness and light  
is settled on that stony ground  
is settled except the last fight

The dizziness through that desert  
of madness and pain  
demands a decision  
demands to break my chain

A long way left behind me  
all memories are gone  
On this world I
