

Blind Side

Crystal Ball

Flashing thoughts went through my brain
When I saw them cry
With no future and no past
Tell me why

We are lost in our paradise
We're lost in our world
Take me back
To the place we once called Earth

Take a ride on the endless train
And heaven turns to hell
What matters when we cross the line
A new day'll begin

Blind side
No time to rewind
Blind side
Nothing is all right
There's no place where we can hide

Do we waste our precious time?
Do we waste our life?
Face the truth
We can't hide behind a mask

Take a ride on the endless train
And heaven turns to hell
What matters when we cross the line
A new day'll begin

Blind side
No time to rewind
Blind side
Nothing is all right
There's no place where we can hide
