

Farmer's Daughter

Crystal Bowersox

Half way to crazy
Not far from sane
Oh, fucking sick and tired of all of your games
And all I ever wanted was you to take care of me
Honor thy mother, oh and father too
But I know there ain't no way in hell that God mentioned you
And all I ever wanted was you to be there for me
Oooooo, and all I ever never needed was you to be here for me

This time is the last time you're gonna see us, around
Oh this was your last chance to prove you wouldn't let me down
So go on get gone and get away from here
Alone
Oh alone is how your gonna spend the rest of your years
'Cause I'm no farmer's daughter anymore,
Mommy dear

I remember back in high school
My brothers and me
Willy put his head through the door to find clarity
And you'd come home with bourbon breath
Jack in the air
And when you broke my bones I told the school I fell down the stairs
All I ever wanted was you to be there for me
And all I ever needed was you to be here for me

This time is the last time you're gonna see us, around
Oh this was your last chance to prove you wouldn't let me down
So go on get gone and get away from here
Alone
Oh alone is how your gonna spend the rest of your pathetic years
'Cause I'm no farmer's daughter anymore,
I ain't no farmer's daughter anymore
No farmer's daughter anymore, mommy dear.....
Mommy dear
