

# For What It's Worth

Crystal Bowersox

There's something happening here  
What it is, ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware

I think it's time we stop, children, what's that sound?  
Everybody look what's going down

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people should speaking their minds  
Getting so much resistance from behind

We gotta stop, children, what's that sound?  
Everybody look what's going down, yeah  
What's going down, down, down, down

What a field day for the heat  
A thousand people in the street  
Singing songs and carrying signs  
Mostly say, hooray for our side

I think it's time we stop, children, what's that sound?  
Everybody look what's going down, yeah

Paranoia strikes deep  
Into your life it will surely creep  
Well, it starts when you're always afraid  
You step out of line, the man come and take you away

We gotta stop, children, what's that sound?  
Everybody look what's going down  
Now stop, children, what's that sound?  
Everybody look what's going down

Now stop, children, what's that sound?  
Everybody look what's going down  
Now stop, hey, what's that sound?  
Everybody look what's going down, yeah  
What's going down, down, down, down  
What's going down  
I think it's time we stopped

There's something happening here  
What it is, ain't exactly clear  
There's a man with a gun over there
