

The Devil Inside

Crystal Eyes

Are you ready?
Welcome the night. Put your worries away
Leave the sirens for a while
Enter the quiet and mysterious place
Let the silence roll the dice

A shadow never lies
We stand on the edge of the world
The gate is open wide
And out of the dark he crawls
right into your mind

Don't wait for the devil tonight
You're a midnight dreamer
Don't wait for the devil tonight
You're a midnight dreamer
The devil inside

Into the eyes of the fire he breathes
Like a whisper of your fate
Ready to strike on the hour of dreams
when the light has gone away

Don't wait for the devil tonight
You're a midnight dreamer
Don't wait for the devil tonight
You're a midnight dreamer
Don't wait for the devil tonight
You're a midnight dreamer

Don't wait for the devil
Don't wait - Don't wait for the devil
You are the devil inside
