

In the Summer

Crystal Fighters

In The Summer summer, saccamma camma to the fama
Como como, yo cama caaamaaaaa

Big or small, I do it all
Little or tall, I do it all allez allez allo alone.....
It's ooo-on, on.
Ebb or flow, I do it all,
High or low, I do it all allez allez allo
Allo, hallo,

In The Summer summer, saccamma camma to the fama
Como como (space) yo cama caaamaaaaa

In The Summer, say me, something bad baby
Say me somethin' bad when the sun shining
Come on
Show me something wrong baby.
Show me somethin' wrong in the summertime

Cos it's like a dream
Show me something bad
Show me something wrong in the summer
Cos it's nothing bad everything okay
The world is like a dream in the summertime baby, baby, baby
It's like a dream
When the Sun's shining

I hear a noise, I put a spell, I put a coin,
In to the wishing well.
You make a point, I make a yell,
I am alive I make a yell into the wishing well.
Wishing a spell into the wishing well
Wish a spell into the wishing well
Til I'm under a spell, under a spell a wicked spell
From Hell!

In The Summer summer, saccamma camma to the fama
Como como (space) yo cama caaamaaaaa
