Break My Mind

Crystal Gayle

Baby, oh, baby Tell the man at the ticket stand That you've changed your mind Let me run on out and tell the cab To keep his meter flying 'Cause if you say goodbye to me, babe You're gonna break my mind

Break my mind, break my mind No, I just can't stand to hear them big jet engines whine Break my mind, break my mind If you leave you're gonna leave a babalin' fool behind

Baby, oh, baby Let me take your suitcase Off the scales in time Tell the man that you've suddenly developed A thing about flyin' 'Cause if you say goodbye to me, babe You know you're gonna break my mind
