

# Everything I Own

Crystal Gayle

You sheltered me from harm  
You kept me warm, you kept me warm  
You gave my life to me  
You set me free, you set me free  
The finest years I ever knew  
For all the years I had with you

And I would give everything I own  
I give up my life, my heart, my home  
And I would give everything I own  
Just to have you back again

You taught me how to love  
What it's of, what it's of  
You never said too much but still you showed the way  
And I knew from watching you  
And nobody else could ever know  
The part of me that can't let go

And I would give everything I own  
I give up my life, my heart, my home  
And I would give everything I own  
Just to have you back again

Is there someone you know  
Loving them so  
But taking them all for granted  
You may lose them one day  
Someone takes them away  
And they don't hear the words you long to say

Everything I own  
Everything I own  
Everything I own

Ya know, baby  
My love for you will always stay true  
That's right, 'cause there is no me without you

I would give anything I own  
Everything I own  
Nobody can love you, love you, love you  
Love you like I do

I would give everything I own  
I give up my life, my heart, my home  
I would give everything I own  
Just to have you back again  
Just to have you back again
