For the Good Times

Crystal Gayle

Don't look so sad, I know it's over But life goes on and this old world will keep on turning Let's just be glad we had some time to spend together There's no need to watch the bridges that were burning

Lay your head upon my pillow Hold your warm and tender body close to mine Hear the whisper of the raindrops blowing soft against the wind ow And make believe you love me one more time For the good times

I'll get along, you'll find another And I'll be here if you should find you ever need me Don't say a word about tomorrow or forever There'll be time enough for sadness when you leave me

Lay your head upon my pillow Hold your warm and tender body close to mine Hear the whisper of the raindrops blowing soft against the wind ow And make believe you love me one more time For the good times, for the good times For the good times
