

# I Still Miss Someone

Crystal Gayle

At my door the leaves are falling  
A cold wild wind will come  
Sweethearts walk by together  
And I still miss someone

Oh, I never got over those blues eyes  
I see them every where  
I miss those arms that held me  
When all the love was there

I wonder if he's sorry  
For leavin' what we'd begun  
There's someone for me somewhere  
But I still miss someone

Oh, I never got over those blues eyes  
I see them every where  
I miss those arms that held me  
When all the love was there  
Uuuu...uuuu  
And I still miss someone
