

I Still Miss Someone

Crystal Gayle

At my door the leaves are falling
A cold wild wind will come
Sweethearts walk by together
And I still miss someone

Oh, I never got over those blues eyes
I see them every where
I miss those arms that held me
When all the love was there

I wonder if he's sorry
For leavin' what we'd begun
There's someone for me somewhere
But I still miss someone

Oh, I never got over those blues eyes
I see them every where
I miss those arms that held me
When all the love was there
Uuuu...uuuu
And I still miss someone
