Three o'clock in the mornin'
And it looks like it's gonna be
Another sleepless night
I've been listenin' to your dreams
And gettin' very low
Wond'rin' what I can do

Maybe I'm bein' foolish
'Cause I haven't heard you mention
Anybody's name at all
How I wish I could be sure
It's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie

You've been talkin' in your sleep Sleepin' in your dreams With some sweet lover Holdin' on so tight

Lovin' her the way You used to love me Talkin' in your sleep With lovin' on your mind

Maybe I'm bein' foolish
'Cause I haven't heard you mention
Anybody's name at all
How I wish I could be sure
It's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie

You've been talkin' in your sleep Sleepin' in your dreams With some sweet lover Holdin' on so tight

Lovin' her the way You used to love me Talkin' in your sleep With lovin' on your mind
