

The Least That I Can Do

Crystal Gayle

You don't have to say you're sorry
You don't owe me anything
I've got the years we've shared
Just let that be enough
I don't want to lose you
Or feel the hurt I'm going through
But if that says I love you
That's the least I can do.

I've finally found a way to make you happy
I've always wanted to
I'll keep my arms from reaching, I'll let you go
If that's what's best for you
It's not that I don't need you
I've got everything to lose
But if that says I love you
That's the least that I can do.

I've finally found a way to make you happy
I've always wanted to
I'll keep my arms from reaching, I'll let you go
If that's what's best for you
I don't want to lose you
Or feel the hurt I'm going through
But if that says I love you
That's the least that I can do.

You know I'll always love you
That's the least that I can do.
