

# Why Have You Left The One You Left Me For

Crystal Gayle

Why have you left the one you left me for  
Has she heard, like me that slammin' door?  
Did you leave for good or just get bored?  
Why have you left the one you left me for

Is she what you wanted?  
Or has time changed your mind?  
Has your dream love gone crazy?  
And what brings you here tonight?

Why have you left the one you left me for  
Has she heard, like me that slammin' door?  
Did you leave for good or just get bored?  
Why have you left the one you left me for

I can see you're hurting  
But I'm not sure if it's real  
How can I really hold you?  
When I don't, when I don't  
Know how you feel?

Why have you left the one you left me for  
Has she heard, like me that slammin' door?  
Did you leave for good or just get bored?  
Why have you left the one you left me for

Okay, come on in  
You be my lover  
I'll be your friend  
If you don't have to tell me  
Then I won't ask again

Why have you left the one you left me for  
Has she heard, like me that slammin' door?  
Did you leave for good or just get bored?  
Why have you left the one you left me for

Why have you left the one you left me for  
Has she heard, like me that slammin' door?  
Did you leave for good or just get bored?  
Why have you left the one you left me for

Why have you left the one you left me for  
Why have you left the one you left me for
