

Don't Wanna Go Down There

Crystal Lewis

If I die young, don't wanna go down there 3x
Don't wanna go, no I don't wanna go, said I don't wanna go down
there

Ain't no water down yonder, don't wanna go there 3x
Don't wanna go, no I don't wanna go, said I don't wanna go down
there

Well I went down near the deceiver
And I'll tell you the reason why
I told my Lord before me
That I wouldn't be ready to die

Ain't no joy down yonder, don't wanna go there 3x
Don't wanna go, no I don't wanna go, said I don't wanna go down
there

There's a hell down yonder, don't wanna go there 3x
Don't wanna go, no I don't wanna go, said I don't wanna go down
there
