

Frustrated

Crystal Lewis

Frustrated, aggravated
Each time I fall
Frustrated, simply stated
Wait on His call

The walls are closing in around me
I know you feel the same way too
He's never left me since He found me
The only light that's shining through
If I can hang on...a little longer
He's making our bond...a little stronger

Frustrated, aggravated
Each time I fall
Frustrated, simply stated
Wait on His call

Your life is like a roller-coaster
Climbing to the very top
I thing there's something you should know sir-
You're headed for deepest drop
If I can hang on...a little longer
He's making our bond...a little stronger

Frustrated, aggravated
Each time I fall
Frustrated, simply stated
Wait on His call
