Chris Lizotte Lord I am tired I'm losing sleep I stuggle with breathing It overwhelms me Lord I am thirsty I don't want to eat My body is aching For peace I'd like to run again Or even just walk Or just see the ocean One more time Lord I look forward To sit at your feet I know what you'll do for me when we meet

I can feel your healing oil
Running down my brow
I wouldn't trade another lifetime
For how I feel right now

Lord I am weary
I know that you're near
Take care of my family
While we're apart
And I thank you for giving me
This life that I've had
Now I look for the comfort
Of your arms
