

I Still Believe

Crystal Lewis

When I can't feel your love for me
The pain in my soul, it won't let me sleep
I imagine you here and it dries up my tears
Even though I can't see
I still believe...

I believe in love
I believe in peace
I believe someday
You'll return for me
I believe in things
That I cannot see
And when my heart says no
I still believe

Just when I think my faith is gone
I hear your sweet voice crying out hold on
It's amazing how we, we're always meant to be
And now I can breathe again

I believe in love
I believe in peace
I believe someday
You'll return for me
I believe in things
That I cannot see
And when my heart says no
I still believe

I believe the sun will shine again
And the loneliness someday will end
I will stand right here 'til your voice I hear
Forever and always

I believe in love
I believe in peace
I believe someday
You'll return for me
I believe in things
That I cannot see
And when my heart says no
I still believe
