## **Fight Evil With Evil**

## **Crystal Viper**

[THE EXORCIST:] Demon is screaming Evil and loud I am protected by holy ghost Demon is growling I'm not afraid The battle has begun, no way back, it's too late God will judge me I know what to do I am his soldier, protector of truth Cross will be my sword I know that game Just one look in her eyes, And I know what's his name! Don't judge me, you can't Fight evil with evil In holy name of God I kill To hell I won't bend Fight evil with evil Don't ask questions, it is God's will For demons I hunt Many have died But let God decide if that is right I don't ask questions I feel their hate They do not understand, it's my fate Yes, time to begin What did you say? No turning back now, it's too late! Bring me the candles And lock the doors I know he will try to escape, I feel his force The devil I see End justifies the means She needs to die Her soul is in my hands It's because of your sins She needs to die Exorcism I will start With God's will on my side Evil is here We don't have much time With the devil i fight The end is near
